

*They say everything
is bigger in Texas.*

Now they'll say everything is

FASTER.

Just north of San Antonio, the GVTC GigaRegion[®] is changing the way businesses experience technology and plan for their future. GVTC has raised the technology bar to heights far beyond what has been possible in many larger metro areas. The towns of Boerne, Bulverde and Gonzales—partners in the GVTC GigaRegion—are completely wired with fiber optics and ready to provide businesses with everything they need to catapult into the future. Don't stay trapped within big city limits. Give employees the lifestyle they dream of. And your business the
